It's a three dimensional brawl between horror films My Soul To Take and Scar 3D ! The former has the advantage of genre legend Wes Craven (A Nightmare on Elm Street , Scream) as writer/director, but the disadvantage of a fake 3D conversion and title change (it was known as 25/8 - which title is worse?). Scar 3D has the advantage of being shot

→ Dabble in 3D for free with Reallusion iClone4

Just when amateur filmmakers thought they finally had the HD hardware to compete with the big guys, along comes 3D to make everything consumer-grade look old again. Until somebody figures out how to tape together two Flip cams and shoot 3D, you're looking at a nice chunk of change to upgrade.

→ No 3D Magic for Next Harry Potter Movie

LOS ANGELES (Reuters) - Warner Bros on Friday said it abandoned plans to convert the next Harry Potter movie to 3-D, bringing mixed reactions from box office watchers and fans of the multibillion-dollar blockbuster franchise. The Hollywood studio said it was unable to produce a 3-D version of "Harry Potter and the Deathly Hallows: Part I" in time for its release on November 19.
